**REQUEST TO CORRECT THE INVENTORSHIP**

June 17, 2010

Hon. Commissioner of Patents & Trademarks  
Washington, DC 20231

S I R :

In response to the Notice of Allowance dated March 24, 2010, and in accordance with 37 CFR 1.48 and 35 U.S.C. 116, it is requested that Dr. Isaac Ray be listed as a third co-inventor as per the attached Amended Declaration.

The application filed on August 5, 2004 with the original declaration which listed only the first two co-inventors contained only claims 1 through 8. Additional claims 9 through 14, which involved Dr. Ray's participation, were submitted with an amendment dated October 17, 2007. These together with subsequent claims 15-20, also involving Dr. Ray's participation, were put into condition for allowance on March 1, 2010, which called for a correction of inventorship as per 37 CFR 1.48(c).

As is clear from these facts, the omission of Dr. Ray's name from the original declaration arose without any deceptive intention on the part of any of the named inventors. The originally executed declaration had correctly set forth the inventorship, but due to amendments of the claims to include previously unclaimed but disclosed subject matter, a third inventor of the

amended claims must be added to the current inventorship, as directed by 37 CFR 1.48(c). This is confirmed by Dr. Ray's attached Statement Of No Deceptive Intention.
